

Sophomore Honors Summer Reading 2020-2021

This summer, I am asking that you do the following:

1. Read Trevor Noah's memoir, *Born a Crime*, and complete the given assignment.
2. Read at least one other book of your choice (see the General Summer Reading assignment for recommendations) and complete the form on our Classroom page.

ALL INFORMATION, ASSIGNMENTS, AND DOCUMENTS CAN BE FOUND AT OUR SUMMER READING GOOGLE CLASSROOM PAGE.

Over the summer, submit assignments as you complete them, but feel free to 'unsubmit' and 'resubmit' as needed until the start of the school year. Upon return in September we will begin the year discussing, examining, and analyzing the memoir in our unit of study on narrative writing. Your choice readings will be discussed during our annual independent reading kick-off.

If you have any questions over the summer, you may contact me, Mrs. Harter, at my school email: mharter@somervilleschools.org.
I will respond in as timely a manner as possible.

☀️ Have a great summer! ☀️
