Attention Parents:

Starting with the 2020/2021 school year, you will now be able to complete the Free/Reduced meal application online via the Parent Portal.

Please log into your portal and click on “meal application” to complete the form.

Please note you only need to complete **ONE** application per family. This means that if you have more than one student enrolled with Somerville, you only need to complete **ONE** application.

If you require a paper application, you can download one from our district website at www.somervillenjk12.org, or you can request one from the main office of your child’s school.

If you have any questions, please feel free to contact Michelle Treanor at 908-218-4104

Sincerely,

Tanya McDonald
