

Dear Parents and Guardians,

I am sure you have seen the wonderful Book Nook in our main lobby. The purpose of the Book Nook is to make sure that our students have a variety of books that they can enjoy both in school and at home. There are shelves full of books that children can borrow at any time. The children are encouraged to bring the books home and return them when they are finished.

At this time we are looking for donations of new or gently used books to add to the collection. Please go through your home libraries and consider sending in some books or consider donating a book in honor of your child or family. A bookplate can be placed inside the cover of a book to recognize your donation. Some parents have donated a book in honor of their child's birthday.

There is a box in the Book Nook where donations can be dropped off. You may also send them in to your child's teacher. If you are donating a book in honor of your child or family, please include a note to let us know.

Please encourage your own child to visit the Book Nook often and thank you for any donations that you may be able to make!

Sincerely,

Mrs. Haynes
