You Can Now Text "9-1-1"

This is an important message the Somerville High school workforce would like to share with you. Did you know that you can now text "9-1-1" if you were ever in harm's way where it might be more dangerous to "speak?" At this time, this texting system works in NJ and some counties in NY. It is a nationwide initiative and will become effective all over the US in the next few years.
